JACOB'S REFORMED CHURCH IN HARBAUGH VALLEY.

RBAUGH'S VALLEY was settled by three Harbaugh brothers in 1760, one of these (Jacob) was the grandfather of Rev. Dr. Henry Harbaugh. At first they attended religious

services at Apple's Church near Thurmont, Md., but in 1822, Rev. David Bassler organized what was called the Jacob's congregation at the northern, or Pennsylvania end of the valley. Elder Jacob Harbaugh, a kinsman of Dr. H., was the leading spirit and most liberal supporter of the organization. On May 28, 1823, the corner-stone of a substantial edifice was laid by Pastor Bassler. After seventy-eight years it still stands forth strong and beautiful in its simplicity, an enduring monument to the heroic faith and piety of Reformed fathers and mothers, who reared it amid the primeval forest. A never failing spring of excellent water gushes out of the mountain-side within a few rods of the sanctuary. The walls are of heavy granite, making it cool in summer and comfortable in winter. Sixteen different pastors have ministered at its altar, viz: D. Bassler, E. Heiner, S. R. Fisher, A. P. Freeze, Wm. Phillips, G. W. Aughinbaugh, L. W. Kefauver, H. G. Comfort, N. E. Gilds, H. Wissler, A. B. Stoner, E. Welty, J. W. Meyer, C. Cort, and the present pastor. In 1898 the seventy-fifth anniversary of the establishing of the Jacob's Church was celebrated by forenoon and afternoon memorial services on a week-day with a picnic dinner by the congregation and community in the adjacent grove. Rev. Dr. C. Cort delivered an historical address at the forenoon services, and Rev. F. F. Bahner spoke in the afternoon. In December, 1842, when still a theological student at Mercersburg, Henry Harbaugh attended the funeral of his aged uncle Jacob, the founder of Jacob's Reformed Church. As circumstances were such that no minister could attend, Henry Harbaugh officiated by offering a prayer and singing a hymn at the house. Shortly after his ordination by the synod at Winchester, in 1843. he assisted Rev. Phillips at communion services held at Jacob's Church in Harbaugh valley. From Thursday until Monday, we are told by Linn Harbaugh, in the life of his father, he preached nine times at the old stone church. Several of his sermons were in the German language. It was an occasion of great interest to the young preacher and his numerous friends and relatives in that vicinity. Jacob's Church must not be confounded with Harbaugh Church proper on the other side of South Mountain near the homestead of Henry's father

CHRIST REFORMED CHURCH, NEAR LITTLESTOWN, PA.

HRIST REFORMED congregation was organized by Rev. Michael Schlatter of blessed memory. In 1746 he was sent into this new country by the Reformed Church of

Holland. On April 29th, 1747, he undertook a great journey, as he calls it, into Maryland. He arrived at Conewago, Lancaster Co., (now Union Town, Adams Co.,) on the 4th of May, (Saturday), and held a preparatory service in a school-house. The following Lord's Day, he administered the holy communion to eighty devout followers of Christ. The Sabbath audience was too large for the room, and so the divine services were held in the woods beside the humble school-house. In connection with these sacred services the organization was formed. Elders and deacons were duly elected and twenty-one infants were baptized. Christ Reformed Church is focated in Union Township,

Adams county, Pa. It is not definitely known in what year the first church building was erected. It was, however, prior to 1755, as it was then in use. It was built of unhewlogs without any plastering between them. It had neither floor nor stoves. The seats were backless slab stools. This house soon became too small for the swiftly growing congregation, and so an addition was put to it in the form of a cross, hence the name Kreutz Church (Church of the Cross.) In 1798 this church was torn down and a substantial brick building was erected on the same site where the old one stood. This one had galleries on three sides and a wine glass shaped pulpit over-topped with a sounding board. In 1877, 1889 and 1896, this church was completely remodeled and enlarged. The membership now numbers nearly six hundred. Rev. Francis S. Lindaman is the present pastor.

Elder Wm. R. Barnhart, Treasurer of General Synod.

T b to

HE Barnhart name and family has been well known in the Reformed Church, and especially in the old town of Greensburg, Pa., for many years. The great-grandfather of

the subject of our sketch, Wm Barnhart, was one of the original founders of the First Reformed Church of Greensburg in 1796. For some time his sons continued in this congregation and took the place of their father when he died. Later, on account of the language question a second Reformed Church was started in Greensburg and among the founders of this congregation, the grandfather of our sketch, John Barnhart, was found active and continued a member and a staunch defender of the Reformed faith until his death in 1858. Almost continuously since the first establishment of the Reformed Church in Greensburg, the name of Barnhart has been prominent in the counsels of the church, in consistories and in the membership and also given to liberality when financial means were needed to carry on the work of the church. The subject of our sketch was elected deacon in the Second Reformed Church in the year 1863, and after serving in

this office for six years, he was elected elder in 1869. He has served in this office almost continuously with the exception of about four years up to the present time. He has been called upon repeatedly to represent his congregation and classis in the higher judicatories of the church. He has been a delegate from Westmoreland Classis to Pittsburg Synod some fifteen times, to General Synod six times, and twice has he been a delegate from General Synod to the Alliance of the Reformed Churches, holding the Presbyterian system; when they met in London and Glasgow in 1888 and 1896. At the General Synod, which convened at Tiffin, Ohio, in 1899, he was elected treasrer of that body, which office he still holds.

The Parsonage.

The value of a parsonage to a charge, congregation or a mission is not so generally recognized as it should be. The last year a number of charges built parsonages. This is as it should be. Many things indicate that there is a growing interest in our church to provide suitable homes for our ministers. Hardly anything will strengthen a weak charge or mission church more than a good parsonage. It is itself one of the best guarantees against short and ineffective pastorates. No self-respecting minister will want to stay long anywhere where he cannot have an appropriate home for his family. Hence it is that charges really help themselves when they provide such homes for their pastors. But the most important consideration in the whole matter is that in providing a suitable house for its minister any church may have a comfortable and permanent home, conveniently located, for its pastor, instead of leaving him to be driven from one undesirable house to another, even if, as in many cases in rural districts and smaller towns, he is able to find a house any-

where and at any price.

There are really few charges that need to be without parsonages. There are ways of securing them if the proper effort be made. It may encourage those who need it to remember that a parsonage is productive property. As some one has said, it returns to the church annually the amount for which a similar dwelling-house in the same location would rent. While it is true, the return does not come to the treasurer in cash, it does come as just so much toward the support of a minister.

Among the oldest known metals is tin. The ancient Romans used it for coating the inside of brass and copper vessels, and in the book of Numbers it is among the list of metals of which, among other things, Moses and the Israelites despoiled the people of Midian.

Women in Austria are never put in prison. A female criminal, no matter how terrible her record, instead of being sent to jail, is conveyed to one of the convents devoted for that purpose, and there she is kept until the expiration of the term for which she was sentenced.

erected at great sacrifice, because nearly all the members were poor in this world's goods. Many indeed were the struggles and they have not as yet been fully overcome. The pastor, Rev. H. S. Nicholson, who was commissioned to take charge of the Nottawa Mission, June 1, 1896, was born in Elk Lick Township, Somerset county, Pa., December 28, 1864. He was catechised and confirmed by Rev. C. U. Heilman, now of sainted memory under whose spiritual care the foundation was laid to enter upon his chosen calling. He was educated at Meyersdale, Pa., Rimersburg, Pa., Grove City, Pa., and at Tiffin, O., where he completed his theological course in the spring of 1896. He was licensed to preach the gospel by Somerset Classis, Pittsburg Synod, at its meeting in Rockwood, Pa., in 1896, and ordained to the holy ministry, by St. Joseph Classis, Rev. Dr. J. M. Schick preaching the sermon, and installed in charge of the Nottawa Mission in the same year. He is still serving his first field of labor. May God's blessing rest uponpastor and people.

HE Grace Reformed congregation of Colon, Mich., was organized by the

pastor of the Nottawa Mission, assisted by the General Superintendent of Home Missions, Rev. Dr. D. S. Fouse, December 10, 1896, with thirteen members, and ere the week closed six more names were added to the list, thus making the number nineteen. For several years the congregation worshiped in a very uninviting hall; here, however, were enjoyed many spiritual blessings. In the year 1898, the building you now see was erected on a most commanding site in the central part of Colon. This building was

It is useless to regret.

The hour finds the man, not the man the hour.

There seems to be a good deal of discussion nowadays about giving the degree of LL.D., but what possible benefit it can be to a man we fail to comprehend. But, as Henry Ward Beecher once said of a prayer, "It did our brother a sight of good to make it, and I don't believe the Lord cared much about it."

CHRIST REFORMED CHURCH.

THE Christ Reformed Church at Robertsville,
Ohio, was organized in the Spring of 1876
by Dr. J. J. Leberman, after preaching
some time in the Dager school-house, about one
and a half miles from the village. Services
were held in the school-house at Robertsville

until the church was ready for use. This building was dedicated in the Fall of the same year. Under the efficient and long pastorate of Dr. Leberman, the congregation increased in numbers and was established on a good and

REV A. ZIMMERMAN

substantial basis. When the work of the Louis_ ville charge became too heavy for one man, Robertsville, Paris and St. Martin were constituted a charge, and Rev. Toensmeyer was called to the pastorate, but only remained a little over a year. He was succeeded by Rev. A. Gonser, under whose pastorate the congregation continued to prosper. N. A. Ernst succeeded him, who was succeeded after an intermission, by Dr. J. B. Rust, who remained until the end of 1898. With the beginning of 1899 the present pastor, Rev. A. Zimmerman, began work. In the spring of 1901, the work of rebuilding was begun. The interior of the church was altogether changed, and the building enlarged. The remodeled church was dedicated July 14, 1901.

Rev. A. Zimmerman, son of Nicholas and Mary E. Zimmerman, was born about two miles south of the historic village of Gnadenhutten, Tuscarawas county, Ohio, April 12, 1864. He spent the early years of his life on the farm and attended the country school in winter about two miles from his home. He was baptized in the Lutheran Church, to which his parents at the time belonged, but when the lad was five or six years old they connected themselves with the Moravian congregation at Gnadenhutten, as a result of a religious revival in the neigh-

borhood. Here he then attended church and Sunday-school. At the age of fifteen he was confirmed and taken into church by the venerable bishop, H. J. Van Vleck, who was pastor of the congregation at this time. After completing the course in the High School at Gnadenhutten, he taught two terms of school and then entered the academy of Oberlin College, and later entered the Moravian College and Theological Seminary at Bethlehem, Pa. On account of declining health the classical course could not be completed, and after taking one year in the seminary he went to Missouri as assistant to Rev. J. Groenfeldt, and in the following year was ordained to the ministry by Bishop Van Vleck in his native village, and a few months after went to Oak Ridge, Minn., as pastor of that congregation. He resigned this charge in 1890 to be able to continue his studies at Oberlin, O. In '91, he was called to the Freedom congregation, Outagamie county, Wis., but was obliged to resign in the spring of '94 on account of threatening nervous prostration. Then he moved with his family to Gnadenhutten, O. In the summer of 1896 he entered the Reformed Church, being received by St. John's Classis, and accepted a call to the Shanesville charge, where he labored until the end of 1898, when he moved to his present charge, Robertsville, O. Continuing his studies as time and ability permitted, he was enabled to take his A. B. from Calvin College in 1898, A. M. from Volant College in 1900, S. T. D. American Temperance University 1901.

[&]quot;It is a fact worth remembering that it does not take half as long to make a wound as it does to heal one."

A true friend is one who does not waste breath in protesting his readiness to serve, but who is always on hand when there is need of him.

THE CENTENNIAL MEDAL AND SEAL OF OUR CHURCH.

I the year 1893 our church celebrated the centennial of its independent existence as a church organization. For more than sixty years, from 1728-1792 she had been under the

supervision of the Reformed Church of Holland. During this period of her infancy and helplessness she had received the aid and sympathy of the Dutch Church. To care for the scattered German settlers thirty-seven ministers and more than \$14,000 had been sent to Pennsylvania. But the communication with Holland

had always been difficult. Important decisions had often been delayed for months and years. Nor did our church have the necessary authority and power to carry on the work. The right to ordain ministers educated in America without the knowledge and consent of the Dutch Church was always denied. At last these conditions became intolerable and in 1792 the Cœtus resolved

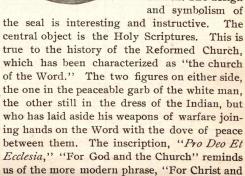

to assume the right of ordination and wait no longer for decisions from Holland. In Holland, too, the desire was felt to discontinue the connection. Grave political questions engaged at that time the whole attention of Holland. As a re-

sult the church became disorganized. The synods and classes met, but irregularly. The correspondence was lagging and finally ceased altogether. The Cœtal Minutes of 1792, although they did not contain the important resolution which was virtually a declaration of independence, were never answered. As no answer arrived in Pennsylvania, the Cœtus also ceased to write and thus the separation was completed. On April 27, 1793, the synod convened for the first time in Lancaster. A new constitution was adopted by which the Cœtus of Pennsylvania became the "Synod of

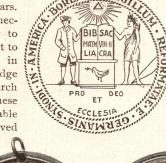

the German Reformed Church in the United States of America." The Centennial Medal was struck to celebrate that event. The obverse side contains the pictures of the two founders of our church, Zwingli of Switzerland, and Schlatter of Pennsylvania. The reverse side of the medal bears the picture of the Reformed Church at Lancaster, where the synod was organized. To complete the organization of the synod a new seal was adopted, or rather the old Cœtus seal was changed so as to suit the new circumstances. The former in-

scription along the margin was, "Sigillum Reformati ex Germanis Ministerii in Pennsylvania (Seal of the German Reformed Ministerium in Pennsylvania.) This now became, Sigillum Reformatæ e Germanis Synodi in America Boreali" (Seal of the German Reformed Synod of North America). This old synod seal had been lost for many years. Indeed its very existence

was forgotten. At last the recent historical exhibit in Philadelphia brought an impression of the original synod seal to light and it is now rescued from oblivion and again presented to the church. The design and symbolism of

the Church," with the all-seeing God over all.

Humility is the solid foundation of all the virtues.

A well-regulated home is a millennium on a small scale.

He is happiest, be he king or peasant, who finds peace in his home.

The reward of good works is like dates, sweet and ripening late.

Rev. Michael Schlatter.

ICHAEL SCHLATTER, missionary and founder of the first synod of the Reformed Church in the United States, was born in St. Gall, Switzerland, July 14, 1716. After pre-

paring himself for the gospel ministry in his own country and Holland, he was ordained to the ministry, and in 1746 was commissioned by Holland Reformed Church as missionary to the Germans in Pennsylvania. He landed August, 1746, and began his work at once. He prosecuted his work with great diligence and organized them into congregations, then into charges, and the charges into the Cœtus or synod in 1747. The latter part of his life was spent in retirement near Philadelphia, where he died and was buried in the graveyard of the First Reformed Church. But few who pass

over the walks of the beautiful Franklin Square, in the city of Philadelphia, realize that they are passing over a former graveyard. It is the old burying ground of the First Reformed Church. Only a few feet under the green sod rest many of the former pastors and members of that congregation. The lot had been purchased by the Rev. John Philip Boehm on June 18, 1741, from John Penn, the proprietary of the province. The price was £50, and five shillings yearly as quit rent. For nearly a century the congregation was in peaceful possession of the land. But in 1835 the City Council wrested the lot from the congregation on the plea, that John Penn had no right to dispose of this land, which his father had reserved for a public square. As a result the grave stones were laid flat and the whole lot was covered with earth. It is now a part of a public square with no monument to mark the resting place of the distinguished dead that sleep beneath, the Revs. Schlatter, Steiner, Weyberg, Winkhaus and

Hendel. A fac-simile of the German burial notice of the Rev. Schlatter as found in the old church record is given below. "On the 4th of November (1790) the Reverend Mr. Michael Schlatter was buried in our grave-yard. His age was 74 years, 3 months and 17 days."

In 1880 there were four beet-sugar factories in the United States, located in four States, with a total capital of \$365,000, employing 350 hands, and turning out products valued at \$282,572; in 1900 the number of factories was 31, located in eleven States and Territories, with a total capital of \$20,958,519, employing 1,970 wage earners, and turning out products valued at \$7,323,857.—Everybody's Magazine.

There is a lemon grove of 1,000 acres in San Diego County. California, said to be the largest in the world. It was begun in 1890, when 170 acres were planted, and it has been annually added to, until it has reached its present size.

THE INSTITUTIONAL CHURCH.

THE FOURTH REFORMED CHURCH, DAYTON, O.

ARLY in the year 1891, by the encouragement of the members of the First Reformed Church, a Sundayschool was organized on the West Side. This developed into the

Fourth Reformed Church, which was organized in February, 1891. The first building was erected and dedicated in 1892. The first pastor, Rev. S. U. Snyder, began his pastorate August 24, 1892. Rev. Ross F. Wicks, the present pastor, began his labors M y 10, 1896. Under his energetic leadership the membership has grown from about 180 to over 300, and a church debt was wiped out on the old building, and a new building, costing \$30,000, was erected, which is so arranged as to include the institutional idea of church work,

This virtual y becomes the first institutional church in the city of Dayton and in the denomination. Besides the usual and regular religious services, as church worship and Sunday-school, the institutional feature will be carried on during the week, so that the church is open every day out of the seven.

The evening college will be one of the 1 ading features of this new church. It will include the courses in Commercial Arithmetic, Algebra, Book-keeping, Business Correspondence, Chemistry, Composition, Drawing: Architectural and Mechanical, Electricity, Latin, German, History, Stenography, Typewriting, Millinery, Dressmaking a d Carpentering. A lecture course also is maintained, reading rooms and bath rooms furnished, and a Penny Provident Fund to instill the principles of thrift in the children.

The career of Rev. Ross F. Wicks has been

that of a poor boy in a little Pennsylvania town, rising step by step by his own efforts. Ross F. Wicks was born in the town of Mount Union, Pa., on the 25th day of November, 1870. He worked on the farm until he was seventeen years of age. Long ere this he had a desire to enter the gospel ministry. A friendly hand was extended just at the time when help was needed, and he entered Ursinus College, later Ursinus Theological Seminary. While in the Seminary he was called to lecture for the Y. M. C. A. in Europe. The call was accepted, and for six weeks important engagements were met.

May, 1896, he entered upon his work with the Fourth Church, and has been laboring among these people with great diligence, persistency, and with great success.

From year to year new members have been added, and it was largely due to his leadership and zeal that they were induced to enter upon the new project of the institutional church, which promises to become a still greater center of Christian influence to West Dayton.

The distinctive feature of the institutional church is that it is an "open church;" open every day from 8.00 o'clock in the morning till 9 30 in the evening. Open alike to members of the congregation and to those not members.

The last Bishop of London once told a quaint story illustrating how the children of the poor reason from experience—early begun and too often sad. A poor little London girl was being examined upon the parable of the prodigal son. The teacher had got as far as the repentance of the prodigal, and his eating of the swine-husks, when she inquired, "What else could he have done?"

The child replied, "He could have pawned his little girl's boots!"

TRINITY REFORMED CHURCH.

RINITY REFORMED CHURCH, Canton, Ohio, was organized in the year 1871 by the Rev. J. B. Shumaker, D. D. About thirty charter members entered into the organiza-

tion, only a very few of whom remain until this day. Dr. Shumaker was succeeded in turn by Revs. Edward Herbruck, D. D., J. M. Kendig, D. D., A. R. Kremer, D. D., and E. P. Herbruck, the present pastor. Dr. Herbruck entered upon his labors in the fall of 1886 and, building upon the foundation of those who preceded, has established one of the largest churches of the denomination. The membership at the beginning of his pastorate was 150, but has grown steadily since then until it now numbers about 1200. The Sunday-school has had a corresponding growth under the able superintendency first of Elder George B. Krumlauf and for the past ten years of Homer J. Miller. The enrollment of the school is 1,000, and its average attendance 625.

Having been born and reared in Canton, Dr. Herbruck not only enjoys the fullest confidence of his people, but is also held in high esteem by the community in general. In 1892 the congregation erected a fine edifice on East Tus-

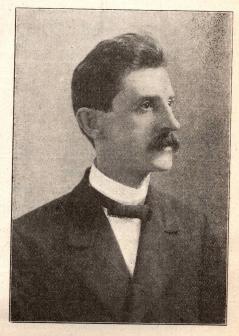

carawas Street at a cost of 25,000 dollars, and in the summer of 1901 a large pipe organ was added to its equipment. The church is free of debt and is in a flourishing condition.

TAKE A STAND.

An expressman had nearly as many orders as all the rest put together. "Why won't some other expressman do as well?" some one asked of a gentleman who always called for "Number 9." "When the other men are not busy, they lounge about the shops and have to be hunted up. When 'Number 9' is away from his stand, he always lets you know where he can be found."

The best worker in the church is the one that the pastor, or the Sunday-school superintendent, always knows where to find. "Take a stand, and stand on it," is good advice for the young Christian. While the eyes of the Lord are in every place, even he is not likely to call, to an important work, the man who isn't found in his place.

REV. E. P. HERBRUCK.

A man is relieved and gay when he has put his heart into his work and done his best; but what he has said or done otherwise shall give him no peace.—Emerson.

Some people are dreadfully afraid of getting too much religion, of being "righteous over much." Give yourself no anxiety. Your danger is not in that direction.

There is nothing so makes a man suspect much as to know little.—Francis Bacon.

The First Reformed Church, Dayton, O.

HE FIRST REFORMED CHURCH of Dayton, Ohio, was organized under the ministry of the pioneer Reformed minister, Rev. David Winters. He began his labors in

1824, in and about Dayton, but an organization was not effected until 1833, when six pious men and women were bounded together in a congregation. For two years they met in the building of another denomination, then removed to the Court House. In 1837 the movement was started for a church home of their own, but it was not accomplished till June 1840, when the new church was dedicated at the meeting of Ohio Synod. Rev. Winters continued pastor till 1850, when he resigned. Then followed a period of depression. A debt was hanging over the church and continued for years to burden them. The following ministers served as pastors: Rev. A. P. Freese, 1850-1852; Rev. S. Phillips, 1852 for six months; Rev. G. W. Williard, 1855-1861; Rev. L. H. Kefauver, 1861-1863; Rev. T. P. Bucher, 1863-1868; Rev. David Van Horne, 1868-1876; Rev. W. A. Hale, 1876 —. During the present pastorate the debt was paid and the church and pastor have

enjoyed twenty-five years of unbroken prosperity.

Rev. Wm. A. Hale was born June 29, 1847, at Amsterdam, Jefferson county, Ohio. He attended Harlem Springs College, a nonsectarian school, from which he graduated in 1868. He was ordained to the Gospel ministry by Old Sandusky Classis at Uniontown, Ohio, in 1868. In this parish he commenced his ministry which continued eight months, when he accepted a call from the Tuscarawas charge the first of March, 1869, in which field he labored successfully for three years. He then received a call from the Lancaster charge and commenced his pastorate there March I, 1872, and continued until October 1, 1876 He received and accepted a call from the First Reformed Church in Dayton, O., October 1, 1876, and has labored in the same congregation ever since with marked success. The membership of the First Reformed Church grew from 184 to 650, after dismissing a number of members to Trinity, the Fourth Church and Memorial Reformed Churches of Dayton. The degree of Ph.D was conferred on him by his alma mater and that of Doctor of Divinity by Heidelberg University.

Grace Reformed Church, Akron, O.

RACE REFORMED CHURCH, of Akron, Ohio, was organized in 1855.
For many years it was a hard struggle for existence, but the loyalty and effort of a few of the faithful

ones, among them being the sainted Dr. John Weimer and his daughter, Mrs. Valentine Hay, who is again a member after years of absence, was finally crowned with success, until today, Grace Church ranks among the leading churches of our denomination in the West. After the arrival of Dr. E. P. Herbruck upon the field, that which had been a struggling mission, took on new life and vigor, and it is to his efforts largely, that the church was put on a foundation that insured future success. The present membership is nearly one thousand with a Sundayschool that numbers even more. Bro. Wm. Frank, who for over thirty years has been identified with the work, has been superintendent of the school for a quarter of a century, and to his untiring efforts, no less than the hard work of faithful pastors and willing co-operation of earnest teachers is due to the fact that Grace Sunday-school ranks among the first of the State. In the lecture room of the church hangs a frame containing the pictures of each pastor

who has served the church. They are in order of service: Rev. S S. Miller, Rev. A. D. Peters, Rev. J. M. Mickley, Rev. Edward Herbruck, Rev. M. Loucks, Rev. E. P. Herbruck, Rev. J. B. Shontz, Rev. R. C. Zartman, Rev. E. R. Williard, and the present pastor, Rev. C. L. Alspach. Rev. Alspach is a graduate of Heidelberg University of the class of '90, and of Heidelberg Theological Seminary in '93. He was ordained and installed in the Reformed Church at Ada, Ohio, in the spring of '93, served the church there for about a year and a half, was called to the church at Wilkinsburg, Pa., in the fall of '95. During his pastorate there of five years the church grew from a membership of about one hundred to over three hundred. A new church was erected at the cost of \$23,000. He was instrumental in securing from Mr. Andrew Carnegie a splendid pipe organ which cost \$3,000. Entirely unsolicited on his part, he received a call to become pastor of Grace Church in February of 1900. The church is well organized with many active workers and splendid young people. The congregation has an active Christian Endeavor Society, Ladies' Aid, and three circles of King's Daughters.

MISSIONARIES TO JAPAN.

REV. A. K. FAUST.

N August 20, 1900, Rev. A. K. Faust and wife sailed from Vancouver and landed in Japan September 3, 1900. Rev. Faust was born in Pennsylvania and is a graduate of our Reformed

schools at Lancaster, Pa. He was early impressed with the importance of the missionary calling, and resolved to consecrate his life to that work, and the Board appointed him. A short time before his departure for Japan he married Miss Christine Vollmer, of Lancaster, Pa. Together they labored in the mission in Sendai, Japan, for nearly a year, when the sad news was cabled to friends at home that she was dead. Deep sorrow filled the whole home church. It is the first death that thus far has occurred among our foreign missionaries.

Mrs. Allen K. Faust, (Christine Elizabeth) daughter of Frederic and Mary (Walther) Vollmer, of Lancaster, Pa., was born on the 8th of November, 1877. She was baptized and confirmed in the Lutheran Church. After graduation from the High School she taught for several years in the public schools, until on the 7th

of June, last year, she became the wife of Rev. Allen K. Faust. It was on the 11th of July that Mr. and Mrs. Faust were consecrated as missionaries to Japan. Just one year later, the husband knelt by the death-bed of his wife and their new-born child. Mrs. Faust came very near the ideal of a missionary wife. Her heart was in the work, and she had an absorbing ambition to learn the language, in which she made rapid progress. She was a perfect house-keeper, and her cheerful spirit filled home and surroundings with gladness.

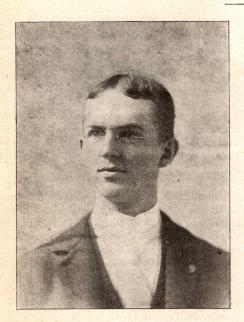

It was through her that friends in Lancaster, Pa., secured a new bell for the Reformed Church in Sendai. Soon after her death was announced Rev. Dr. J. P. Moore, on furlough in this country, proposed a Christine Faust Memorial Fund to be used for the erection of a much needed additional building for the Girls' School in Sendai.

Let our sympathy take such form that the unfinished work of her whose early death we mourn, shall go on.

MISSIONARIES TO JAPAN.—Continued.

REV. WILLIAM E. LAMPE.

EV. LAMPE is a native of Frederick, Maryland, a son of Mr and Mrs. C.
L. Lampe, of that city, and is a young
man of great scholarly ability and
fine character. He attended the
schools of Frederick until twelve
years of age, then Frederick College, gradwating

in June, 1892. In September, 1893, he entered the Sophomore class of Princeton University and graduated from that institution in June, 1896. In September, 1898, he entered the Reformed

Theological Seminary at Lancaster, Pa., and graduated from that institution on May 10, 1899.

On May 16, 1899, at Westminister, Md., Mr. Lampe was licensed by the Maryland Classis. He was appointed a missionary by the Board of Commissioners for Foreign Missions of the Reformed Church at a meeting in Harrisburg, Pa., on November 7, 1899. He was married December 28, 1899, to Miss Anna Lenora Thomas, at Boonsboro, Md.

Rev. and Mrs. Lampe sailed from San Francisco, February I, 1900, and reached Sendai about March 25th. Rev. Lampe teaches in the Tohoku Gakuin, or school for young men, at Sendai.

"Mrs. Lampe is a native of Boonsboro, Md., and a daughter of Mr. and Mrs. Josephus Thomas. She was a member of the Trinity Lutheran Church of that place and secretary of the Woman's Home and Foreign Missionary Society, a member of the Christian Endeaver Society, and a teacher in the Sabbath-school.

In answer to the great commission of Christ, these two have left their native land to enter upon the greatest work that has ever been committed to man, namely, to have a true and most glorious part in the evangelization of the world.

Our New Teacher for the Girls' School, Sendai, Japan.

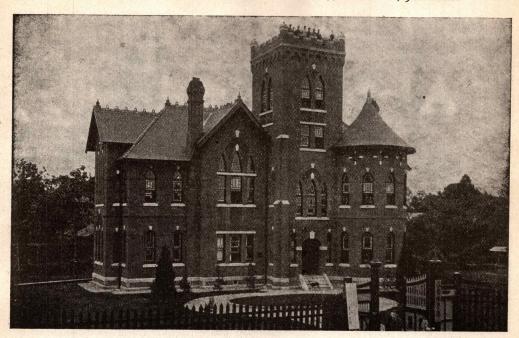

Miss Catherine Barbara Pifer, the newly-elected lady teacher for the Girls' School, at elected lady teacher for the Girls' School, at Sendai, was born in Paradise, Henderson Township, Jefferson County, Pa. She is a daughter of Mr. William T. Pifer, and is twenty-eight years of age. Her home is in the hilly regions of Western Pennsylvania, and she comes from a sturdy ancestry. On the maternal side, she traces her lineage to the German refugees who fled to Switzerland and some of them died at fled to Switzerland, and some of them died at the martyr's stake. They were all of the Reformed faith.

To go as a missionary into the remotest parts of the earth, has been the dream of years. She has been a school teacher for five years, recently took a course of study in the All ntown College for Women, and received an appointment from the Board as teacher in the Girls' School. Her farewell services were held August 28, 1901, and together with Rev. and Mrs H. K. Miller, she sailed from Vancouver, September 9, 1901.

MISS CATHARINE B. PIFER.

TOHOKU GAKUIN (BOYS' SCHOOL), SENDAI, JAPAN.

T

HIS school had its beginning soon after the arrival of Rev. W. E. Hoy in Japan. Early in 1886, after he had opened up work in Sendai, Rev. Oshikawa, a native Japanese mission-

ary, came to him one day with the twelve pieces of silver contributed by a poor widow (it was all she had; she had saved it to defray her own funeral expenses), to establish a Christian school. They regarded it as a token of divine favor, and in reliance upon Providence they resolved to go forward. Rev. Hoy soon gathered about him six young men who desired to be instructed and trained to preach the gospel. For one year he supported these poor young men himself, at such cost of self-sacrifice as at times to trench upon the necessaries of life and ordinary comfort. He met them in a poor Japanese house, in the most solitary part of the city, without a stove in the winter, warming their hands over a little charcoal fire.

At the end of the first year the Board came to his relief by assuming the support of the school. In the fall of 1887, for several months, the

school met in a small Japanese hut, on the spot where a residence now stands. From there it removed to the old Buddhist temple, which is still occupied by the Sendai congregation. In August, 1888, Rev. Hoy purchased the main part of the ground now occupied by the Tohoku Gakuin, and erected thereon the Rev. John Ault Memorial Hall, all at his own personal cost. Early in December, 1888, the school removed into the Memorial Hall, where it remained until September 18, 1891, when it moved into the present Tohoku Gakuin building.

At first the school, comprising a preparatory and collegiate course, was called *The Training School*. The first class completed its course in 1890. The following year the Theological Department was established, and the three Departments were comprehended under the name of the *Tohoku Gakuin* (Northeastern Educational Institution).

The school is in charge of Rev Dr. D. B. Schneder, Rev. C. Noss and Mr. Paul L. Gerhard, with a five years' course in the Academic Department, and the Theological Seminary which has a vernacular and an English course running parallel, each three years' long.

M

Miss Lizzie R. Poorbaugh and Miss Mary B Ault under the direction of the Board in 1886. A Japanese house was rented at first and scholars gath-

ered. In consequence of the rapid growth of the school and the disc very of the insufficiency of the Japanese rented house, as a healthy residence for the American ladies, early in 1887 the Board called upon the church through the church papers for special contributions for the purchase of necessary grounds and the erection of suitable buildings for the school and the residence of the ladies. In response, Rev J. I. Swander, D. D., and his estimable wife, of Tiffin, Ohio, contributed the sum of eleven hundred dollars, which with \$150 added by others, secured the purchase of the grounds now occupied by the Girls' School building and the ladies' residence. Further contributions for the purpose being received, the erection of the proposed buildings was entered upon in 1888, and in due time the present buildings were completed. For the desks and chairs, which are of a modern and beautiful design, with which the school room is fitted up, the church stands indebted to Elder Benjamin Kuhns, Dayton, Ohio, who furnished them at a cost to himself of \$706.

At the General Sonod which met at Dayton, O., May 27, 1896, the Woman's Missionary Society of General Synod asked to assume the entire support of the Girls' School, which was granted. Since that time the women of the home church have most nobly carried on the work of educating their Japanese sisters, and of bringing to them the gospel.

The school is under the care of Miss Lena Zurfluh, Miss Lucy Powell and Miss Sadie Weidner, whose pictures appear on the next page in native costume. To these has come quite recently Miss Catherine B. Pifer, already noted on a previous page. From this school came eight graduates in the spring of 1901, and the class of 1902 has also eight members who expect to graduate. On this occasion in 1901 Miss Powell wrote a poem entitled, "Out of the Harbor into the Sea."

N the picture above three of our young ladies appear in native dress. It is our purpose however, to speak more particularly of only two. Miss Zurfluh has been missionary since

October, 1895, and is during this year on a furlough in the home land. The YEAR BOOK took notice of the fact at that time. Miss Lucy Margaret Powell is one of the more recent appointees of the Board. She was born near Cochranton, Pa., and is the eldest daughter of Joseph and Elizabeth Powell. Miss Powell received her early education in the country schools and is a graduate of the Cochranton High School. Later she also graduated from the Clarion Normal in the fall of '97. At the time of her appointment she was engaged in studies in Grove City College. On August 20, 1900, she sailed with Rev. A K. Faust and wife from Vancouver and landed in Japan September 3, 1900. She has been engaged in teaching in the Girls' School and has written a

number of poems of merit. Miss Sadie Lea Weidner was born near Zionville, Pa., March 3, 1875. Her parents were Edwin and Rebecca Weidner. She was left an orphan in infancy and became a member of the family of Rev. D. M Christman until her departure for Japan. Besides the common schools, she attended several high schools, Heidelberg Summer School, Tiffin, Ohio, and the Moody Bible Institute at Chicago, Ill. She was engaged in teaching in the Ebenezer Orphan Home, Flat Rock, Ohio, at the time of her appointment. When twenty years of age she became a member of the Student Volunteer Movement and procured all the literature she could to enlighten her on the subject. Her continued and earnest prayer was that the Lord would open a way for her to realize the object of her life. Her prayer was answered. In answer to an appeal from the Secretary of the Board of Foreign Missions she made formal application, and received her appointment as teacher in the Girls' School at Sendai, Japan, on March 14, 1900. She sailed from Vancouver on May 28, and reached Japan, June 11, 1900, where she has been working under the blessings of God.

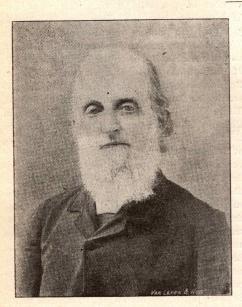

Secretary James B. Dunn, D.D., of the National Temperance Society, figures that the country's net loss from the liquor traffic in a year would pay all the appropriations of a two-billion-dollar congress, and leave more than half a billion for the widows and orphans.

OUR MISSION FIELD IN NORTHWESTERN CANADA.

REV. WILLIAM HANSEN, First Reformed Missionary to Manitoba, Canada.

I was in the fall of 1896 when our Home Mission Board of the Northwestern and Central Synods (German) of the Reformed Church in the United States commissioned Rev.

Wm. Hansen to carry the banner of the Reformed Church over the limits of the United States into the high north among the large numbers of Germans who have been settling in Manitoba, Canada, for some years. Rev. Hansen, though advanced in years, went forth full of the vigor which the everlasting gospel supplies to those who fully embrace its teachings. He arrived in Winnipeg on the 14th of November toward evening, when the weather was thirty-five degrees below zero. There was no one at the depot to meet him, and he had only one name, but no address. After a long search, he found persons of the Reformed faith. These called on some of their friends; a hall was rented, and the next day, Sunday forenoon, Rev. Hansen conducted the first religious service. About forty were present, and the venerable missionary preached to them on the text, John 3: 16: "For God so loved the world," etc.

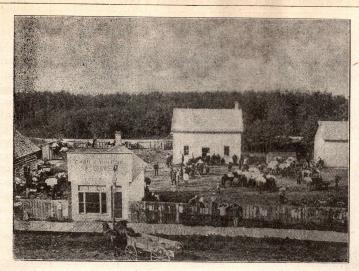

In January, 1897, he began to preach in the other fields; of Gretna, Altona, Rosenfeld, Plum Coulee, Winkler, and Morden, all points in South Manitoba. In February of this year letters were written to him from brethren in Assinnobia, 260 miles from Winnipeg, calling upon him to come over and help them. He decided to go and visit them, and preached for them during one whole week, every day, but each time at another place. There was evidently a real hunger for the word of life among these people.

A little later a similar call came from persons in the northwestern territories from Edmonton and Fort Sackatchewan. About the 1st of July he made a trip thither, a distance of 1,000 miles from Winnipeg. The country during the summer in this part of Canada is like a paradise. He arrived there about the time of the "Klondyke gold fever," when crowds of people were making preparations for leaving at the earliest opportunity for the gold fields. The accompanying cut brings before the reader a scene such as met his view. He saw many interesting things on this long journey. Among others he had the opportunity of viewing the Indian camps that abound in that region and studying their customs and ways of

This pioneer missionary work soon showed signs of abundant fruitage, and it was evident that the Lord was blessing his word of redemp-

tion thus faithfully proclaimed by his servant. The next step was to organize. This went forward readily. The first church was built in Winnipeg, costing \$4,000. This was dedicated on December 6, 1897, a picture of which appears in connection with this sketch.

It was not long until an important accession to this work was made in Assinobia. A charge consisting of four congregations previously Lutheran, with one chapel and a second built soon thereafter, served by Rev. L. H. Streich, united with the Reformed mission.

The work was growing too extended and arduous for a single missionary, and after repeated requests for help, the Board sent Rev. A. Heineman, of Chicago, Ill. He took charge of the Winnipeg Station, while Rev. Hansen removed to Altona, also in Manitoba, where he had previously labored and established a congregation. Rev. Hansen is at present living in Altona, still active in the work. During the summer of 1901, a church was built at Morden, costing \$1200, a picture of which also appears on this page.

On August 1, 1901, the whole number of ministers and charges in this field were organized in a classis, called the Manitoba Classis of the Reformed Church in the United States. The ministers of this newest classis of the Reformed Church are, Revs. Wm. Hansen,

president, Altona, Manitoba; A. Heineman, stated clerk, Winnipeg, Manitoba; L. H. Streich, Hyde, Assinobia; C. F. W. Graeser, Fort Saskatchawan, Alta.; A. M. Lewish, Gretna, Manitoba, Canada.

The following are the statistics: Five ministers, 12 congregations, 531 confirmed members, 479 unconfirmed members, 105 baptisms, 28 confirmations, 33 received by letter, 9 on reprofession, 6 Sunday-schools, 218 scholars, \$146 benevolence, \$2,640 congregational, 26 church papers. It is only

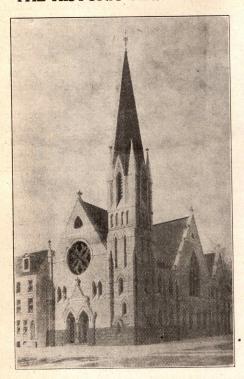

four or five years since Rev. Wm. Hansen became the pioneer missionary in this field. Surely this is a magnificent showing in so short a time.

Rev A. Heineman preaches regularly in Winnipeg, and occasionally in Beau-se-jour and other smaller settlements. Rev. Streich works at Newdorf, Josephsberg, Wosely, and Pleasantforks. Rev. Graeser is stationed at Fort Saskatchawan and is about to build a church Rev. Hansen preaches in Altona, Plum-Coulee, Gretna, Bathgate, N. D., Winkler and Morden, also occasionally at the Pembina Hills. Rev. Hansen adds: "I am very little at home, mostly on the way."

THE HISTORIC FIRST REFORMED CHURCH, PHILADELPHIA, PA.

THE PRESENT BUILDING.

N response to William Penn's broad invitation to Europeans to come to Pennsylvania, many Reformed Church members in Germany, Switzerland, France and Holland, came across the sea to avail themselves of the precious privilege of religious liberty. The greater number of these pushed inland to possess the rich lands of eastern Pennsylvania; but a portion of them located in Philadelphia, the young metropolis on the Delaware river.

In course of time the Reformed Church people of Philadelphia occasionally assembled for worship. John Philip Bœhm, who as early as 1720, began to labor among the colonists of our communion in Pennsylvania and Maryland, included in his journeyings Philadelphia, and preached at their request to the Reformed residents. But it is not recorded that he organized a congregation here, as he did in 1725, in three instances in adjacent localities.

September 21, 1727, George Michael Weiss, a graduate from the University of Heidelberg and ordained to the ministry, arrived at Philadelphia. A congregation was now formed, as is shown by a contemporary manuscript, which says, "In 1727 certain German Protestants organized the German Reformed Church of Philadelphia. George Michael Weiss was chosen pastor. Pieter Lecolie, Johann Wilhelm Roerig, Henrich Weller, George Peter Hillengass, were elected elders " This action was taken without the concurrence of Boehm. In a report to Holland, seventeen years later, he says, "The congregation at Philadelphia, Mr. Weiss, on his arrival, aided by certain of my opponents, took out of my hands." Weiss went to Europe in the spring of 1730, to procure funds for church purposes. On his return to Philadelphia in the forepart of 1731, he tarried a few months, after which he left the congregation and never returned to it. Immediately succeeding his departure the congregation (Bœhm says) permitted itself to be served for a time by wander-

REV. E. F. WIEST, PASTOR.

ing ministers. Joh. Barth. Rieger was the next regular pastor. In March, 1733, and February 23, 1734, the records make mention of him.

The congregation, wearied with the experiences of seven years, now turned to Boehm. April 24, 1734, a formal call, signed by forty-two members, was extended to him. In July, 1734, he assumed the pastorate, in addition to the work at Falkner Swamp, Skippack and Whitemarsh, which he had held since 1725. The church prospered. March 12, 1741, a lot on Race street was purchased, but the congregation was not then prepared to build.

Something is known as to the house used for worship during Boehm's pastorate. It was a frame building owned by Andrew Hamilton, and was located on Mulberry (now Arch) street, near Fifth. The rent was four pounds a year. The Reformed and Lutheran congregations used it on alternate Sundays, and each paid one-half the rent. In September, 1742, it was described as "an old rotten house, which soon may fall to pieces." January 1, 1742, it was agreed that the Lutherans use the buildings until August, 1744, three Sundays out of four, and the Reformed the fourth Sunday, the rent in proportion.

September 6, 1746, Michael Schlatter came to Philadelphia, sent hither by the great-hearted Reformed Church authorities of Holland, to strengthen the organization of the Reformed Church here and to bring it into closer relations with the Dutch Church Schlatter at once took charge of the Philadelphia congregation. In 1747, a house of worship was built upon the lot purchased in 1741. December 6, 1746, this entry appears upon the church book: "On the Second Advent, St. Nicholas Day, the writer, Michael Schlatter, minister here, for the first time preached in the new six-cornered Reformed Church in the Race place."

The view of this building presented herewith, is carefully drawn in conformity with the best authorities available at this time. Prof. Kalm, a Swedish traveler, in 1748, said this church resembled in construction the church in the Ladugoord field in Stockholm.

Schlatter's pastorate was short and stormy. It covered the period from September 12, 1746, to April 27, 1755, less than nine years. Much of this time he spent in long journeys to the remote congregations scattered among the in-

land settlements; some of it in Europe in the collection of money; and still more of it in England and elsewhere in connection with a British scheme of charity schools for the Germans in Pennsylvania. Although clothed with high authority by the powerful Dutch Church, he could not repress dissensions in the Philadelphia congregation.

The pastors of the congregation subsequent to Schlatter were: Frederick Rothenbuhler, Caspar Dietrich Weyberg, John Herman Winkhaus, William Hendel, Samuel Helffenstein, William T. Sprole, Joseph F. Berg, Samuel H. Reid, John H. A. Bomberger, Edwin H. Nevin, David Van Horne, John H. Sechler, and Edward F. Wiest (the present incumbent).

The house of worship built in 1747, was used for about a quarter of a century; May I, 1774, to take its place, was dedicated a larger building, on the same site; in 1837, a third building replaced the second, and served the purposes of the congregation until 1882, when it was sold to a manufacturing firm. It still stands. The present handsome edifice, a view of which is given, was erected in 1883.

The Zion Reformed Church, Piqua, Ohio.

HE above cut represents the church, which the Zion Reformed congregation, Piqua, Ohio, was privileged to dedicate to the service of God on the 28th of July, 1901. The work of

building had been begun on the 21st of March, and was completed on the 27th of July. The day of dedication was a glorious day in Zion. The members and friends of the church rejoiced and gave thanks unto God.

The work of building a house of worship requires much prayer and labor and watching. The pastor rejoiced to see many willing to consecrate labor and talents, prayers and offerings to the much-needed work. The Lord made the people willing, was with them to encourage them, and finally crowned their efforts with success. Let the people therefore praise the Lord.

The cost of the rebuilding both of the church and the parsonage was about \$3,000. The congregation, which is under the Home Mission Board of the Central and Northwest Synods, being unable alone to raise the necessary fund, appealed to friends among the pastors of other Reformed Churches. There was a noble response by the pastors, E. H. Vornholt, J. Bachmann, D. D., B. S. Stern, D. Hagelskamp, G. A. Godduhn and J. H. Rettig. These brethren and their congregations assisted Piqua to the amount of \$800. Their love was appreciated and shall not be forgotten.

The new church has a seating capacity of 300, and serves also as a Sunday-school room. The

art windows are beautiful. Nine of them were special gifts. The papering was done by an artist, and has a very pleasing effect. The total value of the church property is \$5,000. The debt is \$700.

Thus far the people have been very willing to work and pray and offer. May this spirit continue! May the Lord be with us furthermore according to the riches of his grace! May many more immortal souls find forgiveness of sins and peace of soul in our midst through the blood of Jesus! And to him be all the praise and glory!

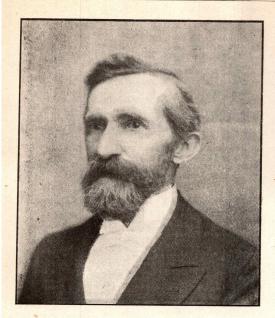

The present pastor, Rev. Henry Otte, is a native of Cincinnati, Ohio, and was a member of Salem Reformed Church (German) of that city. He enjoyed the advantages of the school of his own city, and when later the desire to become a missionary grew upon him, he entered the Mission House of the Reformed Church at Franklin, Wis., where he completed the collegiate and the theological courses, graduating in 1897, Still imbued with the desire to labor in foreign lands, he at one time contemplated applying to the Foreign Board for an appointment. But the question of his health became such that he was persuaded not to de so. He accordingly entered the work in the homeland at Piqua, where he has been laboring under the manifest blessing of God.

The Power of a Godly Life.

The compelling power of a godly life has a wider influence than we sometimes think.

An infidel once owned a sawmill which stood by the highway along which a Christian congregation passed every Sabbath to church. The mill was running every day in the week, Sundays not excepted. But it was noticed that for a few minutes before and after every church service the mill was silent. Close observers discovered that this interval of silence occurred only when a certain deacon of the church was passing the mill. When questioned in regard to this discriminating mark of respect, the infidel said, "The deacon professes just what the rest of you do; but he lives also such a life that it makes me feel bad here (putting his hand upon his heart) to run my mill when he is passing."

REV. S. B. YOCKEY, D. D.

Eighth Avenue Reformed Church, Columbus, O.

IGHTH Avenue Reformed Church, Columbus, Ohio, was organized five years ago by Rev. Dr D. S Fouse and Rev. J. C. Horning, with a charter membership of thirty-nine. It wor-

shiped on the third floor of Marsetti Hall a little more than four years. The Board of Missions then purchased a lot at the corner of Hunter Street and Eighth Avenue, where a neat chapel has been built which will accommodate three hundred people. The congregation has an efficient Aid Society and a Woman's Missionary Society which is auxiliary to the general missionary society of the church, the Sabbathschool meanwhile proving itself an active co-worker with the congregation. The mission is fortunately located midway between the Ohio State University and the Ohio Medical University. The aggregate attendance of these schools is over two thousand, and, independent of this, it is where a church is needed, at the corner of Hunter Street and Eighth Avenue. The Rev. S. B. Yockey is pastor, a graduate of both Heidelberg University and Heidelberg Theological Seminary. He began his ministry in Ross County; from there he went to Xenia, where he remained twenty-two and a half years; from there, at the direction of the Board of Missions, he went to Springfield where, in connection with Rev. J. C. Horning, he organized Grace Mission. In the spring of 1890 he was commissioned to take charge of the mission in the capital city of Ohio, where he has labored since.

He has been closely identified with all the work of the church. Over thirty thousand dollars were contributed to Heidelberg University during his incumbency as pastor of Xenia Charge. All apportionments were promptly paid. He was a pioneer in organizing the church for more aggressive missionary work. The first Woman's Missionary Society of our church had its birth in the Xenia congregation, organized by the pastor's wife.

Because of long affliction in the pastor's family the church has not been canvassed in behalf of this mission as it otherwise would have been, and its kindly co-operation is therefore most earnestly solicited that it may not suffer because of an inadequate equipment for the great work it is expected to accomplish.

*

The hymn, "Nearer, My God, to Thee," which President McKinley made famous in his dying moments, has an interesting history. It is said to be the best metrical expression in modern psalmody of the desire for a more intimate spiritual acquaintance with God.

Its imagery embraces the associations of one of the most sublime and interesting religious experiences recorded in the early Hebrew Scriptures, Jacob's vision at Luz, Gen. 28: 11, 12.

Mrs. Sarah Flower Adams, author of the hymn, was a daughter of Benjamin Flower, an English writer and editor. She was born in 1805.

In 1841 she published a dramatic poem in five acts entitled "Viva Perpetua," in which she portrayed the experiences of the early martyrs.

The hymn, "Nearer, My God, to Thee," was a record of her own religious experience, and was written as a memorial of answered prayer, probably without any expectation that it would be of public service. It was furnished with thirteen other hymns to Charles Fox's "Collection of Hymns and Anthems," published in London in 1841.

For NERVOUSNESS and EXHAUSTION

Horsford's Acid Phosphate

When weary and languid, when the energies flag and you are completely exhausted and worn out, there is nothing so refreshing and invigorating as a teaspoon of Horsford's Acid Phosphate in a glass of water.

It gives real strength and refreshing sleep; banishes debility and builds up the exhausted body by supplying proper nourishment to the nerve tissues.

A Tonic and Nerve Food.

Mercersburg Academy

A High Grade School for Boys, located in the picturesque Cumberland Valley, a section noted for its beauty and fertility, and the high religious and intellectual tone of its people. Since its foundation the school has been free from malignant disease; water is supplied from artesian wells; the school has its own dairy and gardens, thus insuring purity and good quality in food products. A physician and a trained nurse are in constant attendance.

The Equipment of the School is modern, the rooms are large and well ventilated, each room receiving sunlight at least a part of the day. In August, 1900, the school's new dining hall and kitchen was finished. The kitchen, bake shop and refrigerator are models of their kind. The dining hall, 104 ft. by 42 ft., with quartered oak carvings, mosaics and stained glass, are a work of art. It is in "Baronial Gothic" style, and eminent art critics say this hall is the finest of its kind in America.

The Real Glory of Mercersburg is its power to mould boys into thorough students and manly men. A large faculty picked from the best colleges and universities, on the basis of scholarship and moral character, are the companions as well as the instructors of the boys. Personal interest is taken in each boy, the aim being to inspire in every student the lofty ideals of thorough scholarship, broad attainments, sound judgment and Christian manliness. Boys with victous habits are not retained in the school, in consequence the moral atmosphere is pure. The opportunities given for development in vocal and instrumental music, social culture, oratory, debate, leadership, the writing and the speaking of English are unusual. College preparatory work has been especially successful. Mercersburg has representatives in more than twenty colleges and universities.

Athletics are Encouraged, with proper restrictions. Golf links with a nine hole course, three tennis courts, a quarter-mile track with two hundred and twenty yard straight away dash, three foot ball fields, three base ball diamonds, jumping pits and a large cage for winter practice, giving provision for exercise and amusement. Boys who do not train with regular school teams are required to take either military tactics or calisthenics. For catalogue address

The following is one of the many testimonials we have received from prominent clergymen in whose churches we have placed organs.

HAGERSTOWN, MD., Sept. 25, 1901.

TO WHOM IT MAY CONCERN:—This certifies that a new two manual pipe organ has within the past year been placed, by Mr. M. P. Moller, in the Chapel of Zion Reformed Church, Hagerstown, Md., that the work in connection with the same was done in a very acceptable manner and that the organ is giving entire satisfaction.

Pastor Zion Reformed Church, Hagerstown, Md.

Food is Force.

HE foundation of force is food. You can't have force without food. You may have food without force.

There are lots of people to-day who are eating food without getting the good of it. It's like fuel fed to a fire that falls through the grate.

The condition created is called "wasting" or "decline." Kind-heart-

ed people refer to it as being "delicate."

The greatest remedy ever discovered for wasting diseases is Hagee's Cordial of Cod Liver Oil. It strikes right at the root of the disease. It creates a healthy appetite and it gets from the food the force that gives the vim and vigor of healthy manhood and womanhood.

In the early stages of consumption in bronchitis, nervous debility, scrofula, anæmia, neuralgia, sciatic rheumatism and other kindred ailments, remarkable cures have been reported by physicians, through the use Hagee's Cordial.

And Hagee's Cordial tastes good. It presents, as no other compound does, all the good of the finest Norwegian Cod Liver Oil, without a trace of the grease. It is combined with hypo-phosphite of lime and soda and blended with an aromatic cordial so that the weakest stomach can take it summer or winter.

HAGEE'S CORDIAL

OF COD LIVER OIL

is the best remedy for consumption now known to medical science.

It is a tissue builder and tonic. It causes rapid accumulation of flesh. It is the only known remedy in all cases of scrofula, catarrh, throat trouble and early stages of consumption. It is an absolute specific in all conditions marked by thinness, weakness, pallor and other signs of interrupted nutrition. Hagee's Cordial is endorsed by thousands of physicians who have gladly welcomed if as the only rational form of cod liver oil. Sold by all druggists in \$1.00 bottles.

Made by KATHARMON CHEMICAL CO., St. Louis, Mo.
